

Take Out to Help Out?

'Proud to be Hampshire Fare members'

Have you been enjoying eating out, relaxing while a chef cooks up something delicious for you?

Rest assured: in lockdown part 2 you can still enjoy 'eating out', or perhaps that should be 'eating in'! Local hospitality is switching from table to takeaway service, having learned in the earlier lockdown to adapt and diversify in order to continue trading.

Options include taking out a simple sandwich and coffee, picking up a picnic hamper, fish & chips Friday, or even a Sunday roast - prepared for you to tuck into in the comfort of your own home. So, support your local café, pub or restaurant, and order a tasty takeaway.

To help you, we have compiled a listing of our Hampshire Fare members who are offering a takeaway service. This includes business name, contact details and operating hours (where given). If you have any questions, please contact the venue directly using the contact details provided.

Happy eating!
